Welcome to *Ecuadorian Rainforest!* Since 1997, *ER* has maintained its position as one of the premier representatives of the South American and worldwide farmers. For many years we have supplied organic herbs, herbals powder, and powder extracts. In addition to our herbs we offer vegetables, fruits and marine products that are competitively priced and delivered in a timely and professional manner. We stock more than 1,000 herbs, 100 dried fruits, 100 dried vegetables and 20 marine products.

Because of our exclusive relationships with our farmers, *ER* is able to ensure strict product quality control and offer our customer superior service. Our herbs, fruits, vegetables and marine products have passed strict inspections in order to make us proud to present them to you. After all, our products are a representation to you of who we are, we will not settle for anything less than excellence.

So whether your needs are great, or small, place your confidence in your Ecuadorian Rainforest, and we'll be sure to meet your needs now and in the future.

Warmest regards,

Marlene Hurtado-Siegel
President, CEO

Steve Siegel
Vice-President

QUALITY

Ecuadorian Rainforest aims at making quality the heart of our business. The quality control department inspects all raw materials from the moment they are received to the moment the leave.

DEMAND

Ecuadorian Rainforest offers the widest selection of bulk herbs, fruits, vegetables and marine products. From Acerola to Zucchini, our up to date stock of many products are stored in a climate controlled warehouse to ensure peak freshness.

SERVICE

Ecuadorian Rainforest will be with you from beginning to end. Our Commitment to you does not end when your order leaves our facilities. Ecuadorian Rainforest offers you literature, certificates of analysis and any information you need about the products you purchased.

ASSURANCE

Ecuadorian Rainforest believes in the products we sell! We carry products that are in demand. ER discloses ingredients and adheres to all federal and state regulations. We work with you to maintain a relationship with you as your premier supplier of raw materials

TRUST

Ecuadorian Rainforest is committed to protecting the environment and supporting environmentally friendly practices. Additionally, ER supports natives whose knowledge and passion for herbal and natural products makes our business possible.
